

Online Project-Ressources and Informations.

Evolutions of the online organisation

INTRODUCTION
(3 kind of sites)

Portal Reorganisation

DISCUSSIONS-IDEAS

1- Introduction

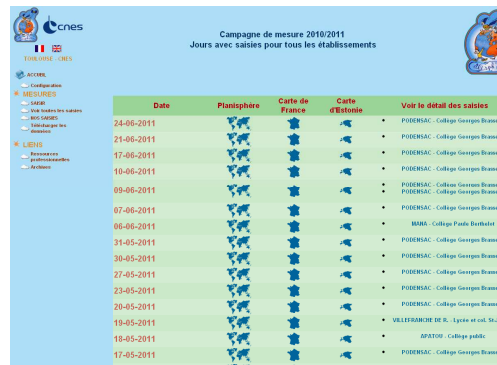

Globe France Portal

- Present the project to the teachers
- Follow a measurement guide (for those who haven't assist at the workshop)
- Discussions and updates around the work of each class (BLOG)

Data entry site

- Entering the data online.
- See and export data of others classes.

Date	Planisphère	Carte de France	Carte d'États	Voir le détail des saisies
24-06-2011				• POENSIAC - Collège Georges Brassens
21-06-2011				• POENSIAC - Collège Georges Brassens
17-06-2011				• POENSIAC - Collège Georges Brassens
16-06-2011				• POENSIAC - Collège Georges Brassens
09-06-2011				• POENSIAC - Collège Georges Brassens
07-06-2011				• POENSIAC - Collège Georges Brassens
06-06-2011				• MABA - Collège Pauls Berthelin
31-05-2011				• POENSIAC - Collège Georges Brassens
30-05-2011				• POENSIAC - Collège Georges Brassens
27-05-2011				• POENSIAC - Collège Georges Brassens
23-05-2011				• POENSIAC - Collège Georges Brassens
20-05-2011				• POENSIAC - Collège Georges Brassens
19-05-2011				• VELLEFRANCHE DE N. - Lycée et coll. St-Joseph
18-05-2011				• APASSON - Collège public
17-05-2011				• POENSIAC - Collège Georges Brassens
16-05-2011				• BOMMANT - Collège Georges Brassens

GLOBE Data entering site (only weather data)

- Informations about all the international GLOBE program
- Enter the data for *GLOBE's Schools*

2- Globe France Reorganisation

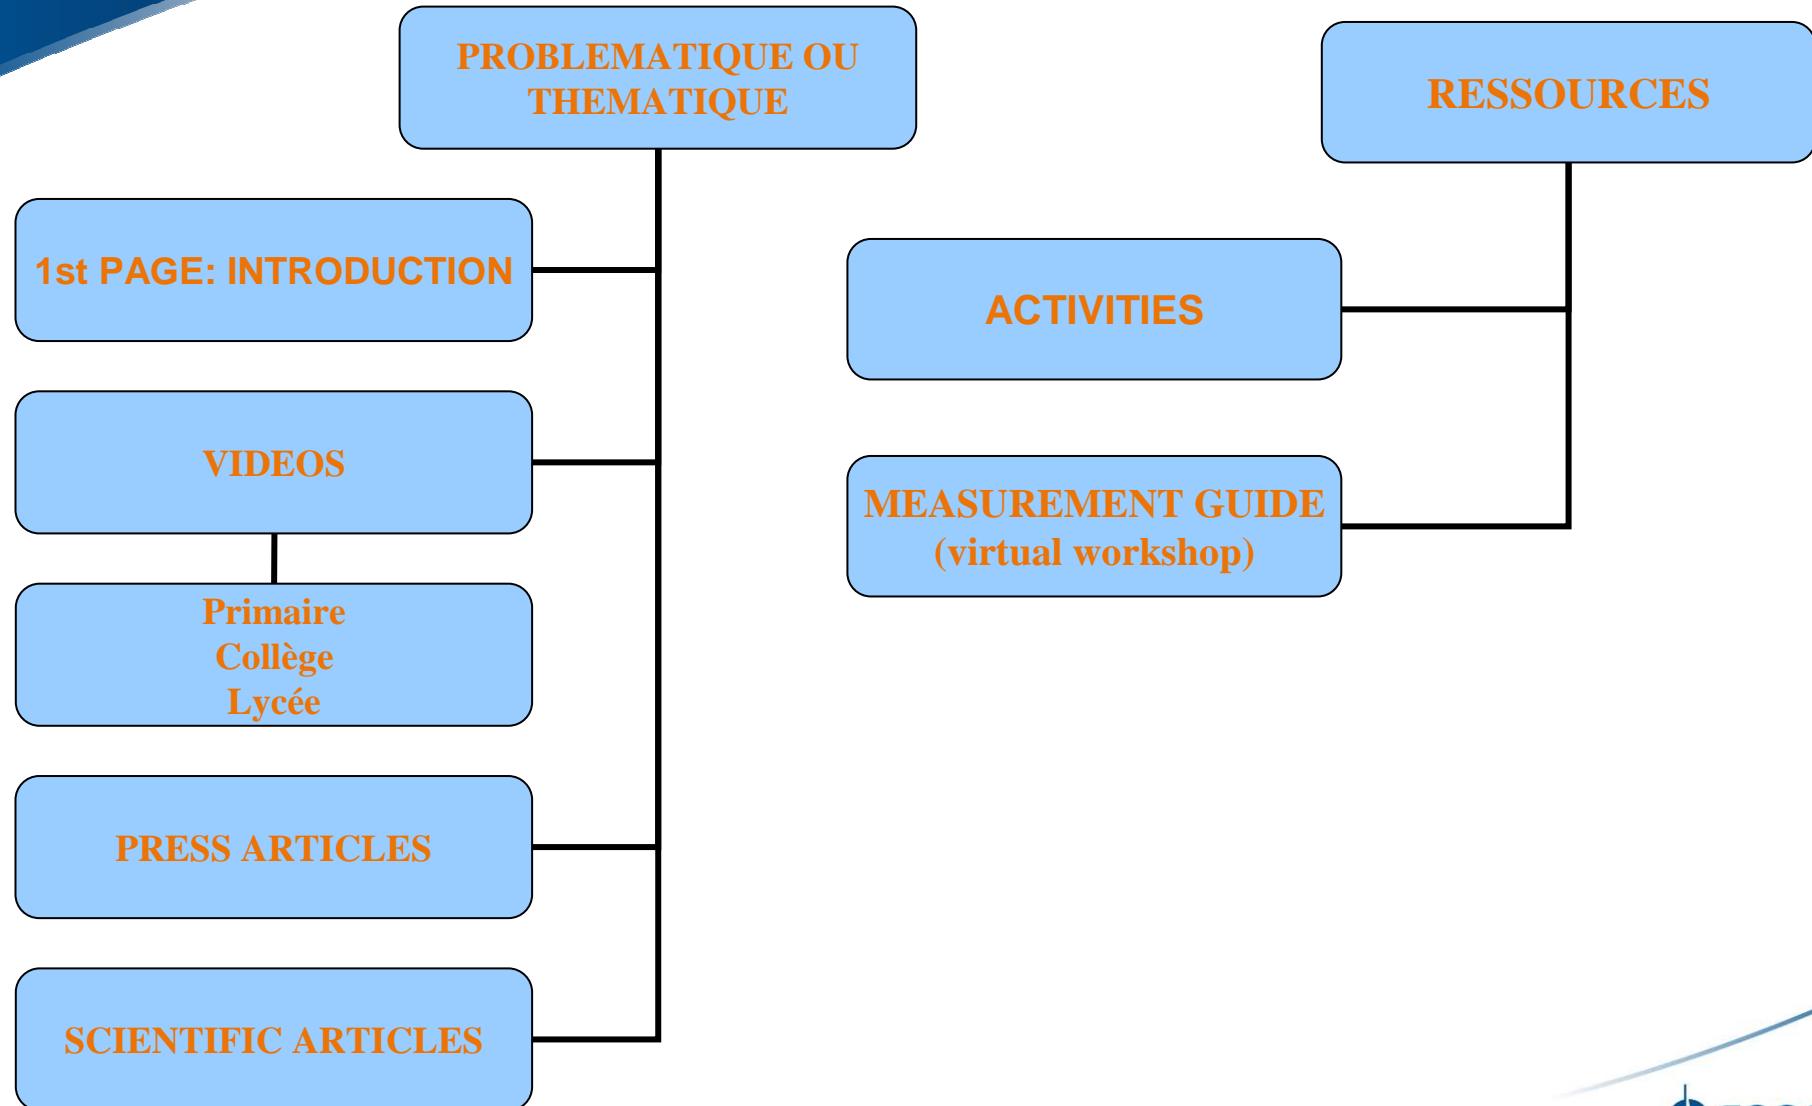

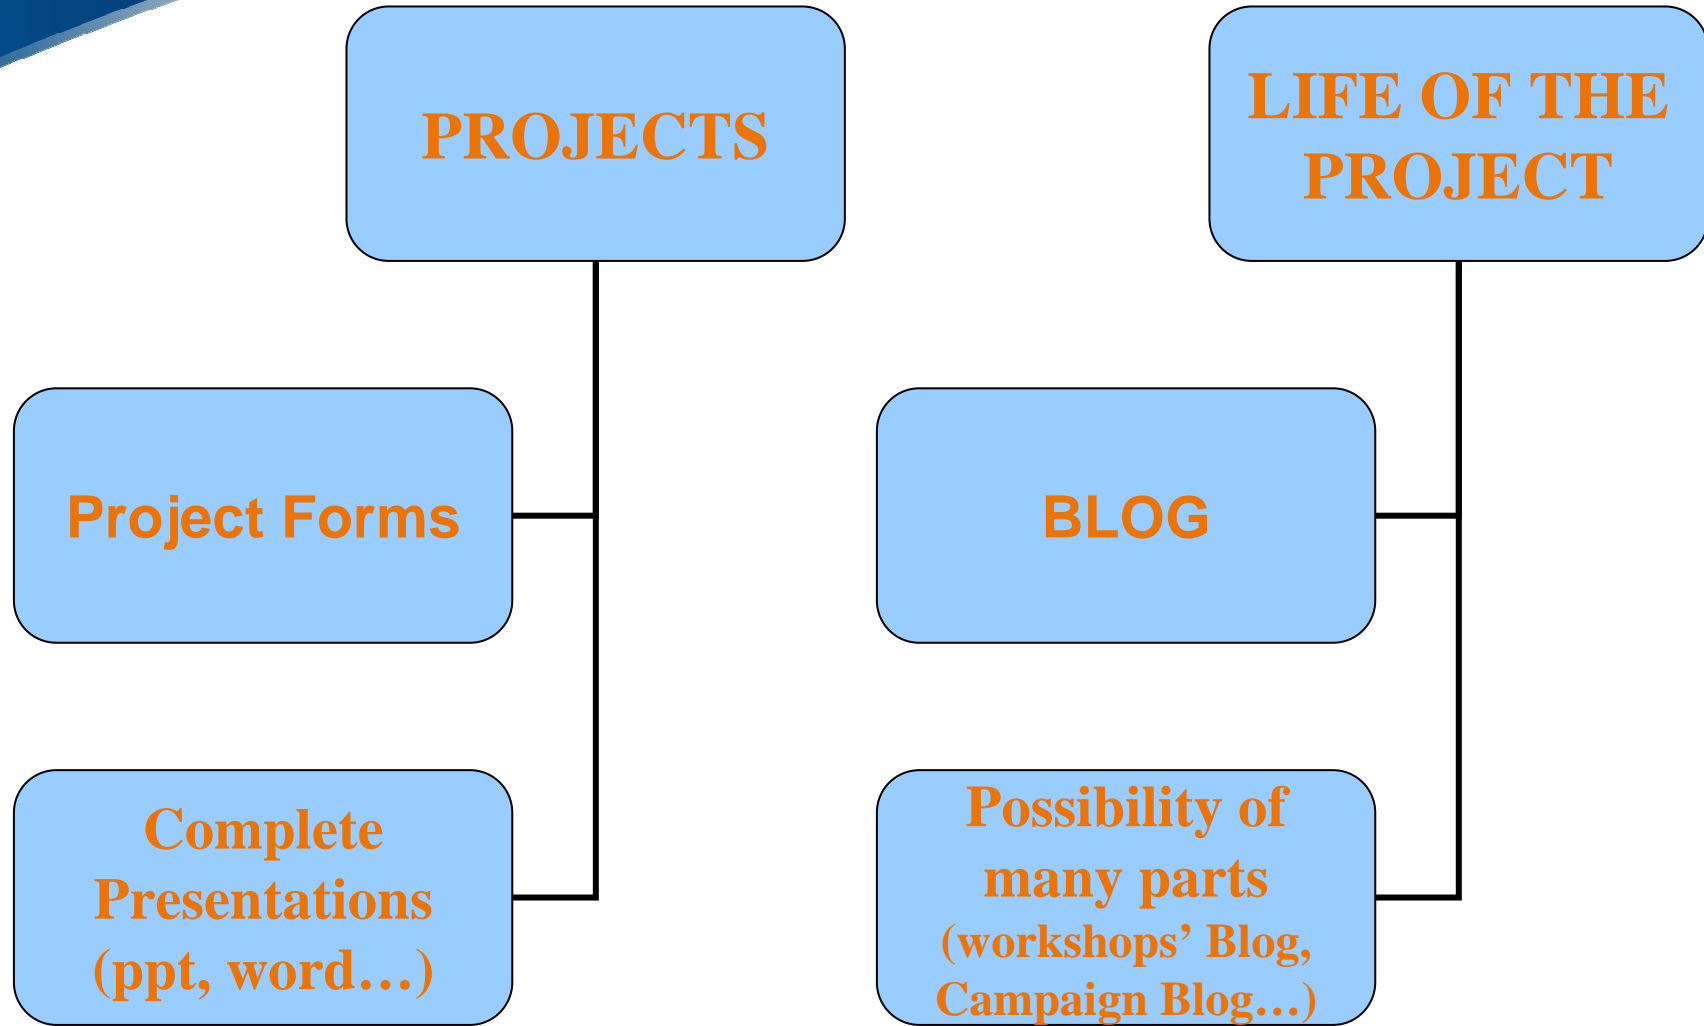

The globe France Portal has been created by one of the teacher participating to the project.

- It first objective is to permit to all school's to discuss (writting simple articles)
- It also permits to put all protocols online to help teachers.

We are reorganising it in order to have something new with more conversations

Globe France reorganisation Plan

3- Discussions

How to to make the site an entire part of the project, the campaign?

What is the place of the blog on the Calisph'Air project ?

**Online workshops-Discussions
Data entry-Ressources**

Ideas about the actual blog :

**organisation-design/interactivity-
easy to use?-campaign guide**

Articles:

When? During the campaign or at the end

Who? teachers or students or both, page

Tools? : facebook, twitter
